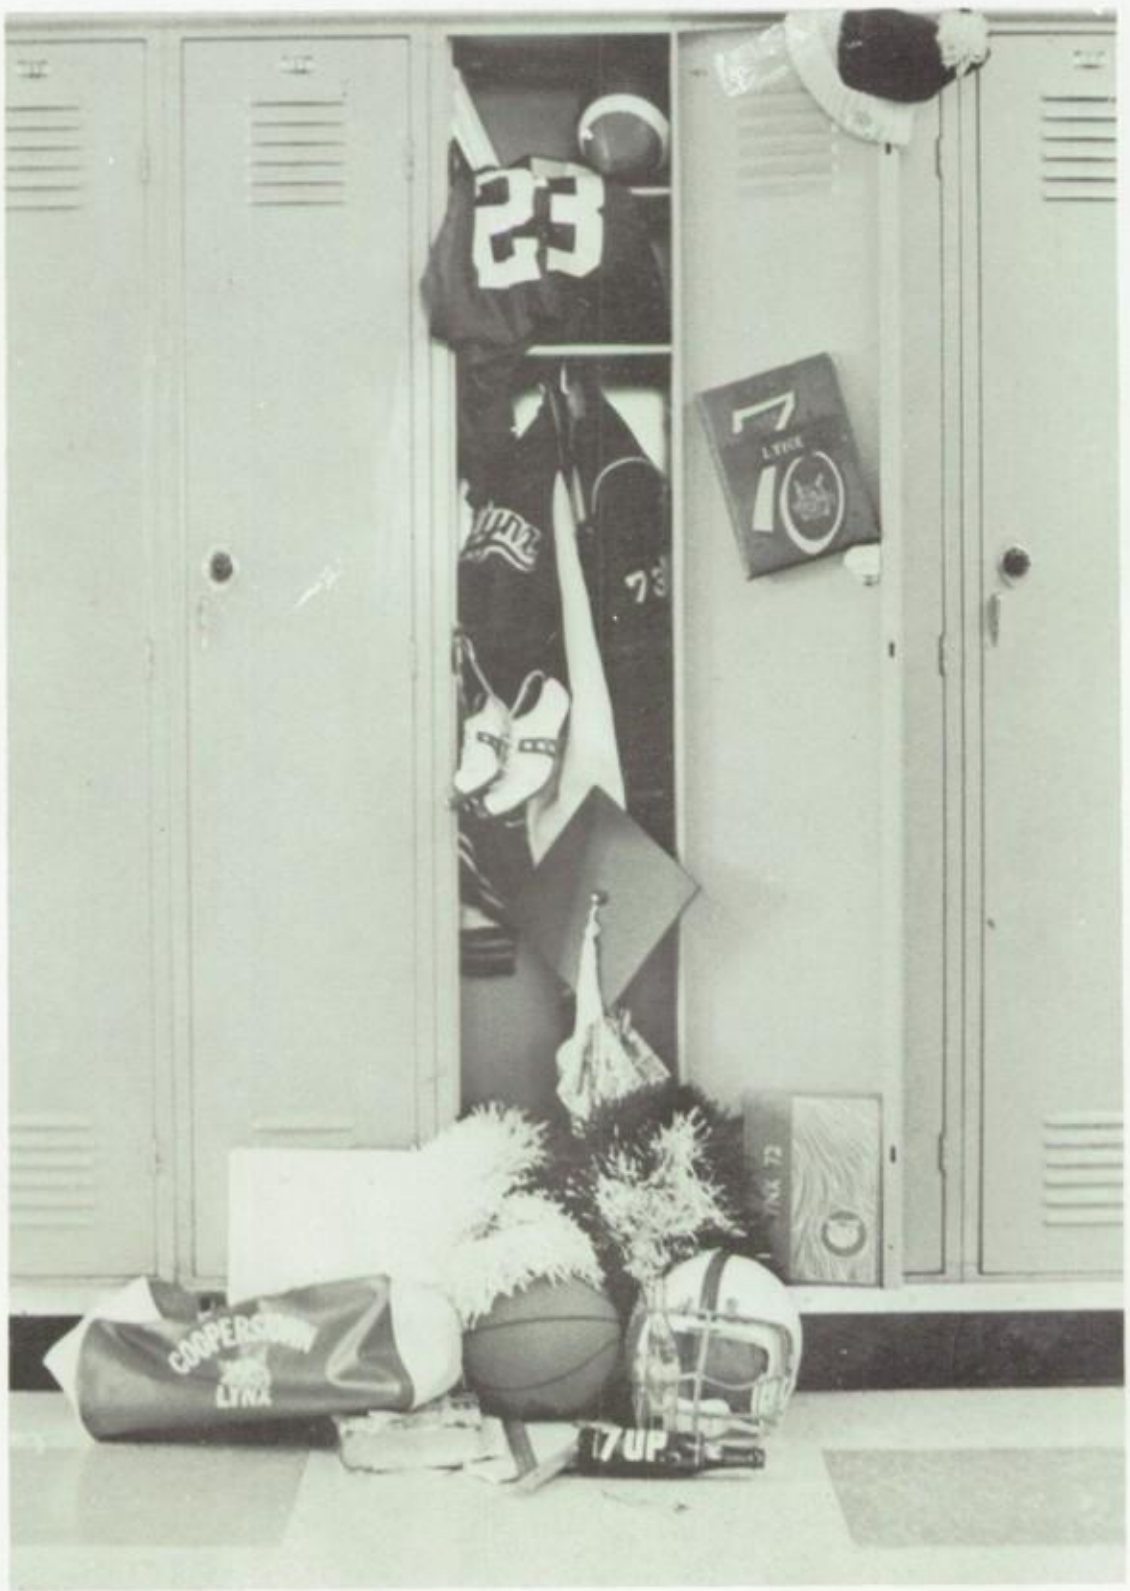
COOPERSTOWN LYNX "72-73"



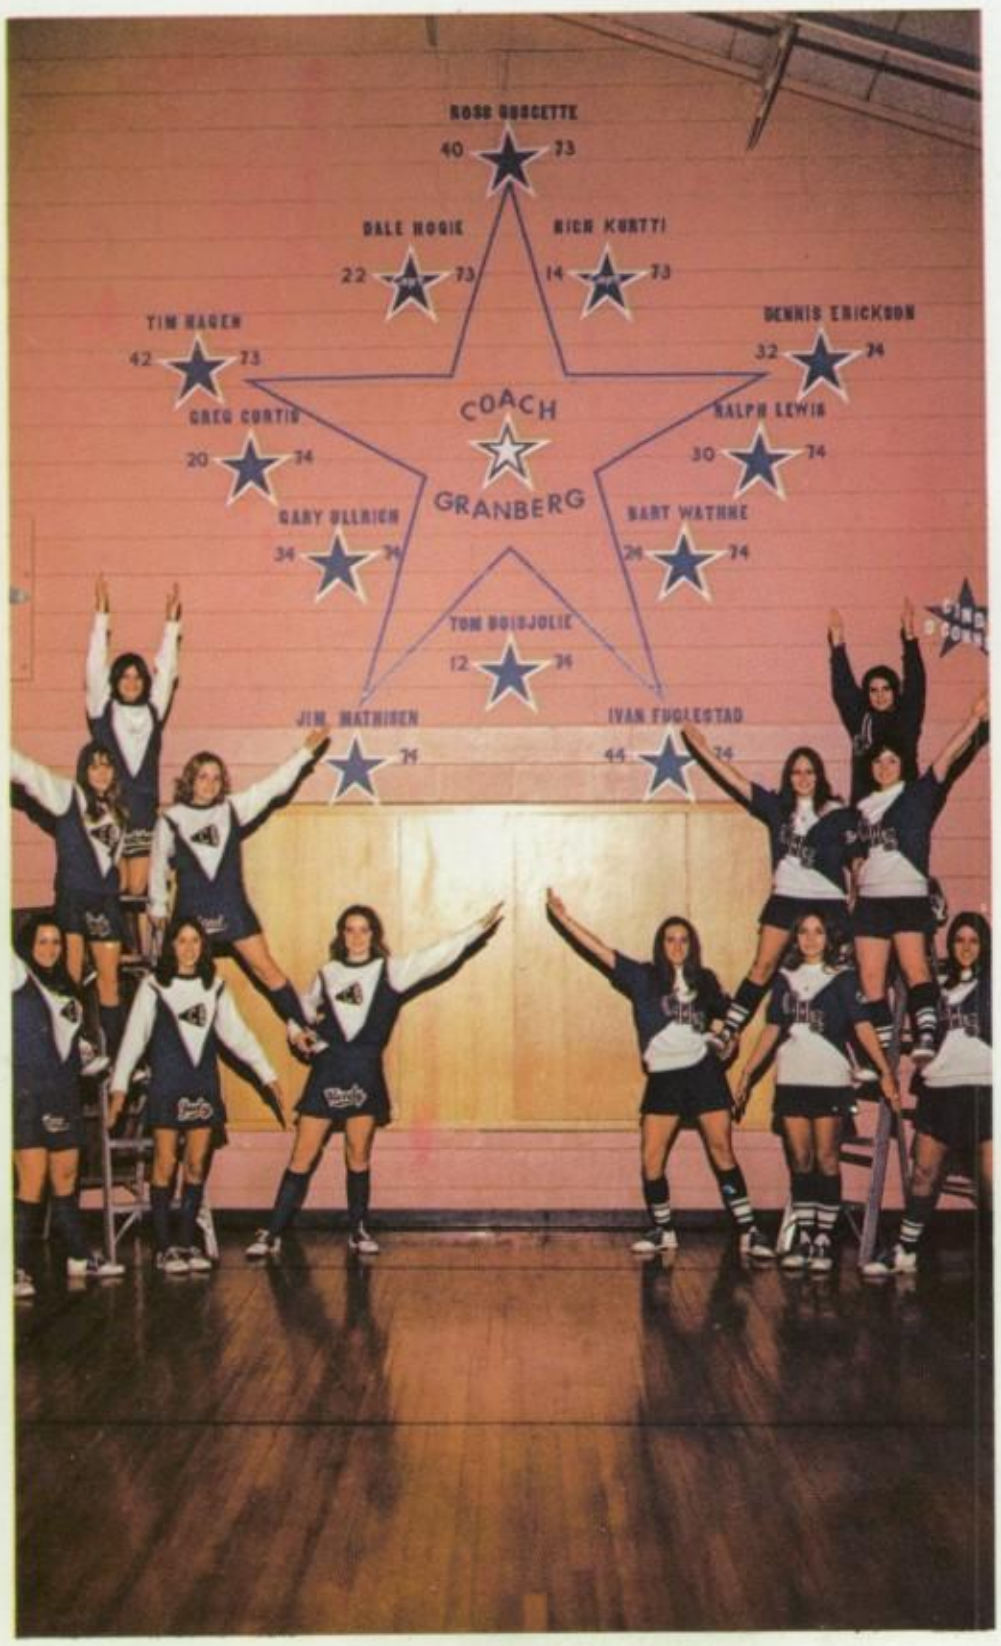
Every day we walk through the same door, sit in the same chairs and lean against the same locker. During our year the path never changes only our direction and destination.

Advisor: James Sott
Editors: Vicki Jo Flick
Mary Detwiller
Asst. Editor: Anne Thompson

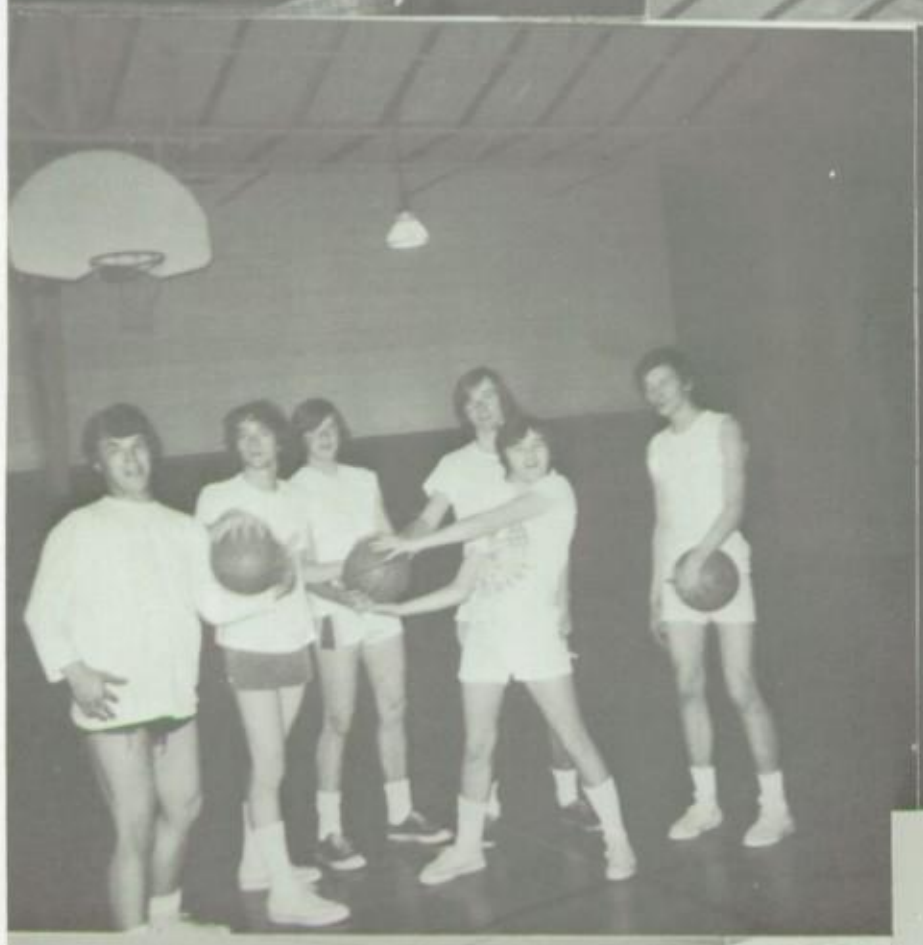
Faces . . . pleasant, surprised, posed, and priceless.
The faces of our friends . . . caught in a moment . . .
captured for our memory.

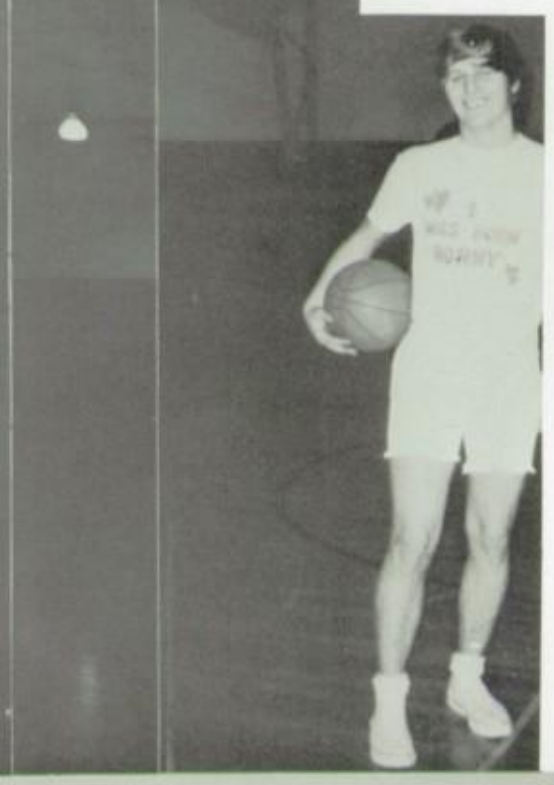
Today . . .

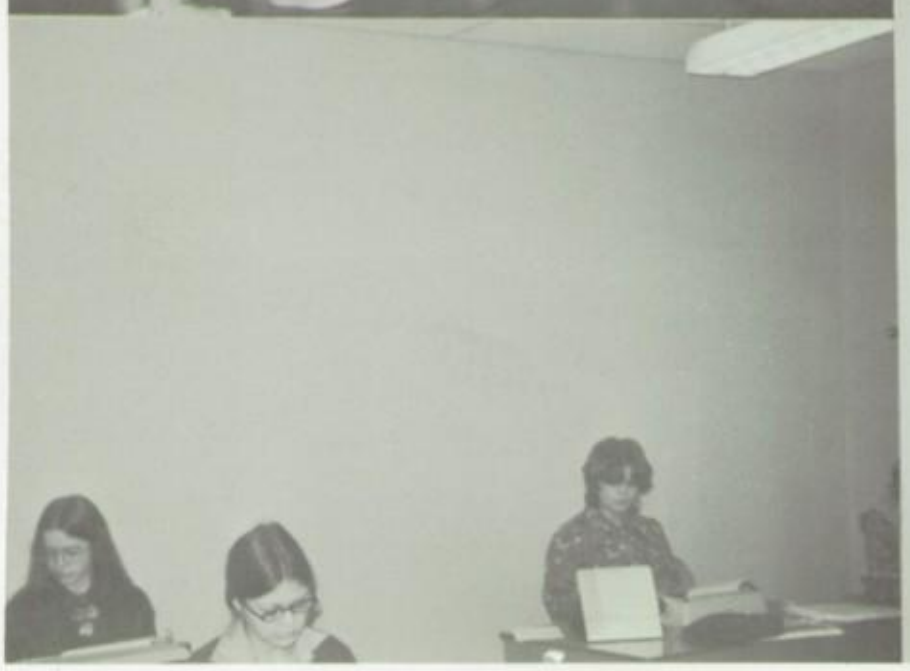
Let us remember the excitement of knowledge, the warmth of a smile, and the endless march of time itself. Let us remember what we have learned and let us learn from what we remember.



ASSORTED KIDS







PARENTS BECOME KIDS AGAIN

CHS's first parent-student exchange day was held during Education Week.

The parents had a chance to become involved in their student's scholastic activities and re-experienced a typical school day after the lapse of several years. Most everyone agreed that it was an interesting day.

HOMECOMING FESTIVITIES

Homecoming begins with the decorating of the float and ends with the big game. Not only do the Pep Squad members work on the float, or players practice for the game, but they also help prepare for the Snake Dance and a girls' Football game. This week at CHS is one of the most exciting and rushed weeks in the entire school year.

"FINDERS CREEPERS"

"Finders Creepers" was the play the Juniors chose. The setting was in a mortuary and it involved a "dead" man who wasn't really dead. Wil and Herc solved the case and the dead man ceased to be dead. This comedy was under the direction of Mr. Tom Osborne.

We as Seniors of CHS wish to thank all the teachers who have worked with us for the last four years. This year's Senior class has participated in almost all of the extra-curricular activities offered. They have been involved in all sports and participated in many music activities. The motto of our class is "We Take The World As We Find It But Leave It Better." We as Seniors have a lot of learning left to do and alot of the world to see. We will be able to face our responsibility better because of CHS and all the people who stuck by us.
